INTRO

I am a creative and diligent professional with over 10 years of experience in production, fabrication, graphic design, photography, web design, and social media. I thrive in hands-on positions, whether it's behind the scenes or working closely with clients. As a positive, connection-oriented person, my approach in all that I do is to work hard while also enjoying the process and people around me.

SKILLS

- Fabrication/construction - wood, metal, plastics, carpentry, set building
- Mural painting - walldogging, rigging, pattern & pounce
- Shop / theatre crew - management, crew supervision, inventory
- Photography - production design, grip, lighting
- Graphic design/video editing - Adobe Suite, Procreate, Capture One
- Web design - CSS, HTML, Wordpress
- Digital archival - data management, rendering, digital conversions

WORK EXPERIENCE

Painter / Shop Tech
Colossal Media, NYC
February 2021-August 2021

Produced large-scale hand-painted mural advertisements, including creating patterns, transferring patterns onto walls through pouncing, and painting artworks. Built and constructed additional physical elements included in ads. Mixed and consolidated paint. Rigged suspended scaffolding for above-ground murals. Maintained the shop.

Social Media / Web Developer
graymatters medical practice, NYC
2020-2021

Designed social media posts, flyers, and other promotional materials. Edited photos and videos for both social media and website. Maintained website through updating content, creating pages, and redesigning layouts. Planned and coordinated social media strategy.

Coordinator, EQ Room
Pier59 Studios, NYC
2018-2019

Liaised with high-end and celebrity clients to facilitate their specific needs for various professional photographic projects. Built sets for and produced major publicized events, including NY Fashion Week. Managed and supervised experienced crew to build studio lighting and grip equipment for upcoming shoots.

Media & Technical Manager
Peridance Capezio Center, NYC
2015-2017

Worked closely with the Artistic Director and executive management for all media needs. Updated all online content of the entire website. Created digital content for and tracked engagement on social media. Produced photos and videos as archival and promotional material.

EDUCATION & CERTIFICATIONS

East Carolina University
BFA 2014

- Suspended Scaffold Supervisor I (NYC DOB 32-hr)
- General Industry Safety and Health (OSHA 10-hr)
